Auction Item Donation Form

THANK YOU for your consideration in donating an auction item. Auction proceeds are used by the Reedsport Boosters Association— a 501(c)(3) non-profit organization— to help support athletic and activity programs, equipment and facility enhancements that benefit Reedsport-area students.

DEADLINE for ITEM DONATIONS and INFORMATION is APRIL 1, 2026.

Use this form to provide a **DETAILED DESCRIPTION** of your item. A good description generates more and higher bids. Provide as many details as you can about your item. This allows us to promote the item before the auction, and provide more details to the bidding audience.

Please print, and feel free to use more pages, or print your own document.

You can also email more information to: auction@bravesboosters.com
